

**NORTHERN CALIFORNIA IRISH WOLFHOUND CLUB**  
**MEMBER CONSENT TO THE RECEIPT OF ASSOCIATION COMMUNICATIONS AND**  
**VOTING BY ELECTRONIC MEANS**

Almost all NCIWC members now consent to receive official NCIWC communications by email. In order to be in compliance with California Law NCIWC must have a hardcopy written consent from each member in NCIWC's file. If NCIWC does not have an unrevoked Consent in its file it will be required to communicate by US Mail, at significantly increased cost, and longer delivery time. The NCIWC Board has authorized distribution of this consent form to all members. Please respond **ONLY IF YOU HAVE NOT SENT A PREVIOUS CONSENT FORM. Our goal is to have a form for each member, giving consent, or withholding consent.** Two persons in a Household membership may sign on the same form.

By signing the Consent form you agree that NCIWC may communicate with you to the electronic address (email) you indicate below, and that any election may be conducted by electronic means (Example: Survey Monkey), using the same electronic contact you have given us (i.e. your email address). Your consent will remain valid for the duration of your membership and any renewals thereof. You may update your email address at any time. You may revoke your consent at any time by providing the NCIWC Secretary written notice stating that you revoke your consent.

To consent to electronic communication and voting please print your name and email address, sign your name and date the form. Return the signed and dated consent form to the NCIWC Secretary: Sue Williams, 4242 Poppyhill Road, Lincoln, CA 95648. You may also sign and date the form and scan it and email it to the Secretary at sue.glenneyrie@gmail.com. There are two signature lines. Use only one for individual members and two for households.

To CONSENT, sign here:

I have read the foregoing. I consent to receiving electronic communications from NCIWC and agree that elections may be conducted electronically. NCIWC should contact me only at the email set forth below.
